Focusing On Our Graduates: Ernesto Morales

The Fundamental Baptist Institute had its 28th graduation exercises in August of 2013, with a record 7 students graduating. Graduate # 74 is Ernesto Morales. He was saved and baptized in another work, and started in our Bible Institute in 2009. In his second year of Bible School, he moved to a new sub-division in Salinas Victoria (north east of Monterrey), and started a work in his home. They started in August of 2011 at the end of a special vacation Bible School they had in their home. Twenty people were saved and during their first year 11 were baptized! They are running between 40 and 50 in Sunday School, with many being saved on visitation. Ernesto gave up the comfort of his home to start this work and now this work is now an independent work, and God is using him and his family to reach many for the Lord in that area.

Focusing On Our Graduates: Edgar Martínez

Graduate # 75 is Edgar Martínez. Edgar's history is a little different, but with the same results. He was saved in Ciudad Victoria, the capital of Tamaulipas. When he was saved, his wife abandoned him because of his new faith, which devastated him. He came to Monterrey looking for a new start, and started going to Bethesda. He was scripturally baptized and then started in the Bible Institute. God has used him greatly in winning souls, and in influencing people who thought that because of a tragedy in life the Lord was finished with them. He is active with a bus route in the church and in Sunday School.

God still saves, still calls, and still uses those who would surrender to serve Him. These two men are examples of workers in His vineyard!

Family note: Please be in prayer for Michelle, she will be having her thyroid removed on Friday, March 6. Pray for a quick recovery and no complications.

In Him,

Daniel L. Jones, Sr. - Gal. 6:9

Received for the Institute in December, 2014 and January 2015
