Dear Pastor and Church,

God has been blessing our work since 2002 here in Cantel, Quetzaltenango, Guatemala.

"Cantel's people are eager to receive the gospel. In Cantel on August the 15th they have a celebration of the Saint of the city who is "Virgen de la Asuncion". At this very time they also have a fair which takes up all the room in the town. They close the main streets and you have to go in the back way, which is very rough with rocks, mud and holes everywhere. But this year the pastor called me and said: Hermana Flora, don't even try to come in, every way is blocked off you can't get in. So I choose to go to the first church we started Templo Bautista de Quetzaltenango. It was a time to remember the need of God in Cantel, so we prayed and kept on working.

Also in October we witnessed again the force of the nature. We had a Tropical depression called 12-E. It was a rain with lots of water and strong winds. It didn't last too long but it did a lot of damage. 14 People died in this area and a lot of families lost everything. A lot of houses and their crops were washed away. And the ones that were still standing had mud in their house and their beds. This had a big impact on the economy not just with the families that were affected by the disaster but also to all the Quetzaltecos that now have to pay a lot more for their food because of the loss of the crops for this year. We are praying that God will help them in all their needs.

In spite of all these bad events God keeps working with the People in the Church in Cantel. There are now young leaders that are teaching and working with the young people, which is a big help for the Pastor and example to others.

In August we celebrated the day of the Bible. We had the participation of the Rondalla which played their guitars and sang beautiful hymns. Also the Pastor had organized a different activity for evangelizing each month. The fruit of this is a new family that is assisting the church. We ask you to please keep them in prayer their names are: Hno. Romilio, Hna. Estela and their children, Rony, Rilmy, Emily and Romilito.

Every 4 months the Sunday School Classes have their Clausura of their SS lessons. At this time they presented the colors that represent Salvation. The Vacation Bible School has started and we will talk about it in the next prayer letter.

Because of Christ,

Flo Martin
