

Flo Martin MISSIONARY In Cantel, Quetzaltenango Guatemala

January-February 2015

By the grace of God, we celebrated another year of work in Cantel. Our special speaker was Pastor Cesar Vivar; it was a blessing to see the brethren being edified with the preaching. We had new people attending the three nights of celebration.

It is truly a blessing to see how God works in the lives of young people. Bro. Vicente was a young man who knew Christ as a child in the Church, but turned away from the Lord for a couple of years. The Lord brought him back and now shares the Bible to young people.

The ministry with children goes ahead. We continue to share the Word of God and do recreational activities in which they take time to share. There are children who take part in the program to read the Bible
