***Thanks, be unto the Lord, for each of you!***

We are now in the good ole USA for our furlough. Thank you for your prayers. We had a good trip and our suitcases came through fine. It was very hard to leave Honduras and we left a lot of very sad people.

We have a burden to start a new mission work in a growing area and that also made it hard to leave. We must raise our support so we can soon go back and reach that area that does not have a church to tell them about Jesus. This is the reason we are on furlough plus to give a report in the churches that would like us to show what has been done in Honduras through our ministry.

We are moved into an apartment and have our car ready for traveling. We will have to buy some tires soon and ask you to pray about that. It will cost \$700.00 at a discount tire store. We are busy making a new video to use when in churches and calling churches to fill our schedule.

Please let us know if you would like us to give a report to your church. Our address and phone number are below. We are only taking a nine month furlough so we can get back and start the new mission.

We ask for your prayers as we travel, seek needed support, give our report and challenge Christians to be more involved in praying and in going. We are looking forward to being with you, our family and friends. Thank you for your faithful prayers and support.

Yours in Christ,
