***Thanks, be unto the Lord, for each of you!***

Dear Praying friends,

It has been a stressful time for us and we are very grateful for your prayers.

We had a bad leak in our roof over our office and it took several tries before it was stopped.

Thankfully it didn't ruin anything real valuable but some important papers did get wet and a few we had to throw away. We also are having some car problems and are waiting for parts so it can be repaired.

Our electricity went off, a wire at the meter burned and it took a couple days for it to be repaired.

Our concern is the freezer is full of food ready for our soul winning campaign as well as to help us through some other very busy times when preparing meals would be harder to get ready.

A dear cousin passed away, Warren Friday. Warren and my dad were very close and we loved him dearly. He had a large cattle ranch beside my grandfather's and we hunted there many times. My mother will soon be 93 and we are grateful to those who have prayed for her. She still lives alone and is doing very well.

The work is going well. We appreciate your prayers as we get ready for our soul winning campaign the first of October and the national Men's conference that I will be teaching. Thank you for your prayers as we look for future places for the two missions to meet as they outgrow the present locations. In September we will be doing some building to help with the space in the mission work in Barrio San Francisco. They will soon outgrow that as well. That is good and we thank the Lord for the growth.

We are grateful as you continue to pray for our youngest son, Nathan. Nathan turned 18 last month. He is working on getting enrolled in college, somewhat more complicated when educated out of the US. He was able to finally get his U.S. driver's license which was also very complicated and took two years of challenges to get.

Thank you for your prayers as we go forward.

Yours in Christ,

  
Harold and Lena Friday
