

MISSIONARIES FOR 37 YEARS

FEBRUARY 2013

DEAR PASTORS AND FRIENDS,

Lord's Return Is Getting Closer

This is a **New Year** closer to our Lord's return for His chosen few out of every nation and race. "The Lord is not slack concerning His promise, as some men count slackness; but it is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance." **II Peter 3:9**

There is very little time to do what we can before it is too late. **Mexico** is getting very dangerous for **Missionaries** to work. Please pray for all the Missionaries and their families as they labor on their field of service.

Here in the **USA**, the high schools are demanding that the students receive a Micro-chip in their right hand, between the thumb and first finger. The people who are in charge of doing this are telling the students that if they refuse, they can go to jail or leave the school and attend home schooling. This is the path of the new Obama's health care law. **Sound Familiar?** The rapture is just around the corner. We must get busy. Time is running out. Can we sit idle or just pretend that nothing is happening and will happen? "I must work the works of him that sent me, while it is day: the night cometh, when no man can work" **John 9:4**

New Church Membership and New Converts

We have changed our membership to Faith Orthodox Baptist Church in San Antonio, Texas. Bro. Juan Lopez is Pastor. This is the church that my parents, Sydney and Dorothy Johnson, started in 1944 before our family went to the mission field in 1956. We felt it was the Lord's will for us to make this change to the Hispanic church where we can be more active in the Lord's work locally.

We are going to miss Pastor Keen and church family. They have been so kind to us through the years; in the good and bad times. May the Lord bless and reward them for their love and support to us. God bless you!! We will be praying for you and we love you!!

There have been some new converts. Seven are to be baptized with 3 or 4 in one family. We praise the Lord for this blessing!!!!

Thanks for Prayers and Support

We want to take this time to thank each one of you for your prayers and financial support. It would not be possible for all of this to happen with out your prayers and support. Only in Heaven will we know the rewards. May God bless you all.

YOUR MISSIONARIES,

TED AND KARIN JOHNSON
