Dear Friends,

March, 2014

We said in our last Prayer Letter that we were looking forward to building a new auditorium for our church. Well the mango tree was removed, stump and all, and the construction began the end of January, 2014. Red fill dirt is now where the tree was. Another bathroom was added and will also be used for storage right now. The footers are dug and the columns are in place. The walls are going up. Hopefully next week it will be covered.

Pastor Francisco is in charge of the work and he has other young men working with him. They were saved during the time we were at the church where Pastor Francisco now Pastors but they are not serving the Lord. Pray they will see their need to put the Lord first in their lives.

On March 6th and 7th we helped teach at the Bible Institute in Caracarai. Bill taught on Missions and Sharon had Child Evangelism. There are **seven** students this semester and classes are February- June. March 8th was the Ladies meeting at the church and they asked Sharon to bring the devotion. There were around 40 ladies and girls present. They did a skit representing different types of jobs that women do today. The theme was "The Grace of Being a Woman"

We want to thank each of you that have a part in our Ministry here in northern Brazil. Without your prayers and financial help we wouldn't be able to continue on with the ministry. May God bless each of you as you faithfully serve the Lord.

Your missionaries in Brazil,
Bill and Sharon
