Bill and Sharon

Dear Friends,

April, 2016

March – Pastor Werlesson Rodrigues and the Bible Baptist Church is going forward. Vanessa was able to find a job at a grocery store and the three girls are in school. He has been able to study some computer courses that will help him plus drive his family to their work and school. They had one young man saved and one rededicated his life. They have 10 coming to the Sunday services. Continue to pray that this work will grow and souls be saved.

April - Sharon's 65th Birthday was celebrated Sunday night at church and we had food and a good time of fellowship. Praise the Lord for Birthday's and for the privilege of serving the Lord these many years.

The Alvorada church in Boa Vista invited Rogerio and Zipora to come and preach for their 9th Anniversary. They were a blessing to our people. He will graduate in December 2016 from the Bible Institute in Manaus.

We had a good attendance of 85 Saturday night with 27 from Caracarai church, 27 from Caranã church and 31 from Alvorada church. Two churches presented the same song so they sang together and it was great to have a 36 voice choir. The Alvorada church presented a reading about the theme "Shine as lights in the world" Philippians 2:15b

We will be teaching Christ in the Old Testament at the Bible Baptist Institute in Caracarai April 13-15. There are seven students studying this three-month period and the couple in the middle of the back row of the picture will be graduating this May. One of the young ladies had chicken pox and was out of class for a few days. We have known most of these students for a long time and what a privilege to see them serving the Lord.

Three of the students came for the Anniversary service and helped pass out invitations and tracts in the neighborhood before the service. They studied about Personal Evangelism so they were able to practice what they had learned. Pray for Pastor Luiz as he teaches most of the classes to the Institute students.

Three men have graduated and one of their wives also graduated. Now two more of the wives are studying God's Word so they can be a help to their husbands in the ministry.

We thank each of you that have a part in our ministry here in Brazil. Without your prayers and financial support, we would not be able to continue on with the works here. Come visit us in Boa Vista! God bless.
