

THE DANIEL COATES FAMILY MISSIONARIES TO GUATEMALA

Summer 2015

Dear Praying Friends,

We have had a great summer thus far! Mother's Day and the Church's 7th Anniversary on Father's Day were all huge successes. Lots of families were encouraged and we **have had some new folks** remaining faithful since then. Our services in the morning have seen an increase of singles and families faithfully coming out each week, despite the summer slump that hit our bus routes. We are not yet back up to the numbers we were running before returning stateside for our furlough.

We have enjoyed hosting or visiting with different friends and groups that have come to Guatemala, including a group of young men from Canada. We look forward to seeing other church groups and families that have expressed an interest in visiting our Family and the Mission Field here very soon.

Our family is doing well despite the bumps and bruises of life. Tammy and her brothers were able to be in Texas with their dad at the anniversary of their mother's passing in May. Jayne, our three year old, broke her foot, but has healed now and is walking normally again. (You can see Jayne and her cast in the picture here.)

We were able to get the taxes paid on the new white van that we brought down after our furlough. That made for some very lean times for us, but God provided through His people as they were led by the Spirit during the weeks following. We are so thankful for those who faithfully support our ministry and we want to say a Special THANKS to all those who sent gifts via PayPal or deposited something special during this time, most of whom had no prior knowledge about our special needs.

Please keep us in prayer for the following: Power and Direction as we Preach and Teach; Safety; Provision; and Growth in our Main church, the Coastal Church and our Family. We look forward to seeing more souls saved, Christians growing and faithfully serving our Lord here in Guatemala as we finish out the summer and move into the fall!

His Blessed Servants,

Daniel & Tammy Coates, and children
