

# THE DANIEL COATES FAMILY MISSIONARIES IN GUATEMALA

---

## Spiritual Warfare March/April 2017

We have definitely been in a spiritual battle here in Guatemala. Our work, our things, and our family life have been under attack. When you pray for your missionaries, know that there is always an unseen battle going on, and God blesses our faithfulness in prayer and pressing forward. We really appreciate you for holding us up before the Throne of Grace! There have been various losses of electronic ministry tools, and repairs needed on the vehicles and house, not to mention spiritual and physical healing. Praise the Lord our Family has come through these trials stronger and healthier than ever.

We were blessed to host a Youth Rally at our church in La Esperanza, inviting young people from area churches. Also, one of our own youths was Baptized and has been growing closer to the Lord. So thankful to see spiritual growth in all of our teenagers. The devil would love to have them, to shake them up and destroy their lives. Thank God for young people that see through his lies and choose to live for Christ!

Thank you all for your love, prayers and support as they are greatly appreciated and needed for us to continue the work here in Guatemala.

His Servants,

*Bro. Daniel and Family*
