Dear Praying Friends,

This letter comes with a report of our last 2014 graduate, an update on one of our graduates, and a peek into the next Institute letter. We pray this letter is a blessing to you.

**Graduate # 80: Jesús Palomo.** This young man was saved under our ministry in 2009. Joel Sánchez, missionary to Japan, won him to the Lord. His growth in the Lord was a rapid one, and in 2011 he entered in the Bible Institute. He graduated with honors in 2014. While in Bible School, he was bus director, children’s church worker, played the violin in the church choir, led the singing and preached! He was married in March of this year and he and his wife are going as missionaries to Corea! As far as we know, he will be the first Mexican missionary in Corea! Please pray for him and Alejandra pictured to the right, that God would use them in a mighty way.

**Update on Graduate # 54: Omar Meza**

Omar Meza, (pictured with his wife Mayra to the left) started a mission in 2010 three years after graduating. This mission has become the Iglesia Bautista Fundamental Jehová Jireh (the Jehovah Jireh Fundamental Baptist Church), in Juárez, Nuevo León.

They are in the process of getting the church’s legal papers in order, and we thank those of you who give to the C.L. Jones

Memorial Fund, which will make this possible. This summer they conducted two Vacation Bible Schools (one in their church and another in a mission they have started) where they had 62 saved! Besides that, he has a printing ministry in which he has printed over a million tracts since 2013! He also has printed VBS materials for his church and three other churches this year. Please keep Omar and his wife in your prayers. This is what indigenous missions is all about.

Training nationals to do what God has called them to do, and then seeing God use them! **The C. L. Jones Memorial Fund** is lacking \$200.00 to help this church register. Thanks for your help!
