Missionaries to The Rio Grande Valley and Mexico – “For We Are Labourers Together With God” I Cor. 3:9

September 30, 2016 – Miracles

Dear Praying Friends,

Like the blind man in John 5:13 that “wist not who it was” that healed him, sometimes we fail to see the many miracles that He performs in our midst. This letter comes to you as a miracle, for we have had many problems in getting it out.

Miracles in health: We had a “miracle baby” born the 7 of September to one of our member families. He was only 24 weeks old, and today, weighs only 2 lbs. yet it is healthy, not using any oxygen tubes and is receiving his mothers milk by way of a feeding tube. His name is Zabdiel wich means (in Spanish) God’s gift. Both mother and baby are doing well. Praise God for “little miracles”.

Michelle’s blood pressure went way up one afternoon. She looked in the mirror and saw a lot of blood in her right eye! After an ophthalmologist looked at it, he said: “You better thank God that it was a hemorrhage in the eye and not a cerebral hemorrhage!” She is now on blood pressure medication. Praise the Lord for His protective hand on Michelle!

Miracles in souls: Every time we see someone saved, we see a miracle of God’s grace. One of our women won her first soul to the Lord last week! I was able to win a drug addict to the Lord last month and he is now in counseling to get rid of his heroin addiction! We have seen **8 souls saved** in the work in McAllen since our last letter to you and **40 souls** were saved in Bethesda Mexico in the last two months! Praise God that He still performs the miracle of the new birth!

Miracles In Transforming Lives: The 7 men singing a special in our church (pictured to the right) are examples of God’s grace in their lives. Two of them are cancer survivors, one of them is an ex-drug addict, two have gone to the brink of divorce and have seen their marriages restored, one is coming out of “burn out” where he was “used” in another ministry, but did not know what it was to serve out of love, and one has come out of false doctrine to receive the light of the true gospel.

We tell our people that it was a miracle of God that He brought us here. They keep telling us that we are here because of them! They prayed, they asked God, and He supplied.

Have you ever thought that you are part of all of these miracles? God has worked through your prayers to heal and protect, to win the lost and to restore Christian’s lives. Without your prayers and support we could not be here today.

In Him,

You make it possible for us to reach Hispanics on both sides of the border!

Daniel L. Jones, Sr
