Missionaries to The Rio Grande Valley and Mexico – “For We Are Labourers Together With God” I Cor. 3:9

February 28, 2017 – Help! II Cor. 1:11 Ye also helping together by prayer for us ...”

Dear Praying Friends,

Help is needed in every aspect of the Lord’s work. That is true in our work among the Hispanics on the border as well as in Mexico, and I am sure in your area of service. We are always looking for helpers and we thank God that Melissa Houston (pictured to the right) will be coming down to help us in the work here in McAllen. She has worked with us before in Monterrey, and we are thankful to the Lord for allowing her to come and work with us here. She is already getting everything ready for our summer Vacation Bible School! We are also very excited about the prospect of our sending church (Worth Baptist Church of Fort Worth, Texas) coming down on a missions trip this summer! Help is on its way!

Every soul that is reached and every life changed in the work that the Lord has given us is a direct result of your help in praying and supporting us. Saturday, the 25 of February we left some tracts on several doors in an apartment complex. One person called and told us that they were going to report us for littering, because they did not want that “trash” on their door! Please keep helping us by praying that the Lord will protect this new work. Latter we received another call, and a lady said that she had been praying that a fundamental Baptist church be established in our area! She was not only there Sunday morning but on Sunday night as well! Then on Sunday morning we had a soul saved! In fact, since our last letter in December we have had 18 souls saved! Every one of them are a direct result of your prayers and support!

Locally we need a lot of prayer help. Wile the Lord has been blessing, the devil has been fighting in a mighty way, and we need some extra special help in praying for the Iglesia Bautista Betesda of McAllen. Pray for wisdom, grace and encouragement. We trust the Lord, and we know He is our helper, and we know that you can also help us by way of prayer.

Personally we have been battling with the cost of medical issues and medical costs. Our insurance has skyrocketed and so have our medical bills. Please pray for me, I have been battling thyroid and a testosterone problem for the last 3 years. Please pray that God will give us wisdom in these things.

We thank God for you and we praise the Lord for what He is doing through your missionary vision.

To the right are some pictures of New Years (the traditional piñata) and of our congregation.

In Him,
