Institute Graduates Serving the Lord around the World!

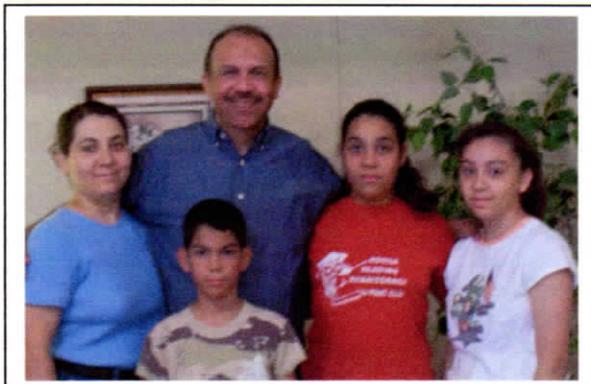

II Ti. 2:2: *"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also."*

Dear Praying Friends,

First of all, let me introduce to you the 29th graduate of our Institute and the new administrator of it: Bro. Roberto Tabares. He has been a member of Bethesda since 1991 when it was organized, and has served in various capacities in the church: as youth leader, Sunday School Teacher (pictured at left teaching the adult Sunday School class), church secretary and now is the administrator of the Bethesda Fundamental Baptist Institute. Right now we have over 30 students and his job is to supply the teachers with material as well as the students and take care of the administrative duties of the treasury of the institute plus all the secretarial duties that go along with it (letters, grade cards, etc.). Please keep him in your prayers. He will be a great help while we are on furlough from September 2011 to August 2012.

Let me give you an up-date on one of our graduates in Oklahoma! Bro. Arturo Quiñones was the 35th graduate of our institute and is working in Tulsa, Oklahoma. He was a college professor when he joined our church, and before graduating, he was called by a church in Oklahoma to start a Spanish ministry. He had his 11th anniversary of his work in Oklahoma and his first anniversary in their new building plus their second graduation services from their church-run Bible Institute! Most of his graduates are going back to their country of origin to preach the gospel to their own people! He will be our main speaker for the graduation services of our institute in August. Please keep him in your prayers.

Missionary David García, 55th graduate of our Bible Institute is going to Spain. He graduated from the Bible Institute in 2007 and started a work in Las Lomas, Garza García in 2008. He left that work in able hands and started his deputation trail in 2010. Please pray for him, for traveling in México is very dangerous. He is also seeking support from churches in the U.S. Churches here in México are very interested in missions, but they still have to learn a lot about consistency and not being so clannish. By that I mean, that if you do not belong to a certain group, you will not be supported. Have you ever heard of such a thing? If you would have him come to your church contact him through our vonage phone below.

In our next letter, I will give updates from more of our Institute graduates in different parts of the world!

If you do not support the Fundamental Baptist Institute, now is a good time to help. It is a great tool for missions to México, in México, and from México!

In Him,

Daniel L. Jones, Sr. – Gal. 6:9

Received for the Institute in February and March of 2011:
