

Dear Pastor and church,

It's a blessing for me to write you again to inform you about our activities in the month of August.

In August we celebrated the month of the Bible. We celebrated it Sunday night, the 28 and it was a really big blessing to the church. There were eight new converts (Yolando Aguilar, Roberta de Aguilar, Ezequiel

Chojolán, Jesus Jeremías, Marisela de Poz, Santos Poz, Victoria Eunice, Yessica Hernández, Lucy Recancoj keep them in prayer) and many young and not so young people rededicating their lives to the Lord.

But this activity for the church was a lot of work for the pastor during the month. They gathered the special offerings the whole month. They made a big effort with their finances to make this happen. Also the pastor made a week of prayer for the persons that where invited to the activity. Each one wrote the

name of the person they had invited and we prayed for them each night. Most of the nights it was raining. But the church was there, praying for their invited guest.

Praise the Lord for His mercy to us .

Because the Love of Christ,

Flo Martín.

PS. Keep praying for Quetzaltenango and all of Guatemala because we have been suffering with a lot of rain that caused floods and mudslides and many people lost their houses and the crops for this year. They don't have anything; not even a house. Also sometimes the gas and the food is rationed because they can't get it to the gas stations or the stores because of the mud blocking the roads.
