

Flo Martin MISSIONARY In Cantel, Quetzaltenango Guatemala

Mar-Apr 2014

Greetings church family,

May the blessing of the Lord Jesus Christ be upon your lives.

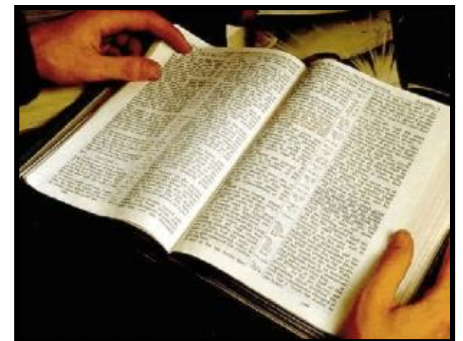

It is by the Lord's grace and strength that we continue with the children's ministry teaching them Bible truths; we sing, pray and also during their Sunday school classes they have a time to work on crafts.

On this special occasion they made a craft for Mother's Day. The children had a good learning experience. Please pray for the seed of the Gospel that is being planted now in their tender hearts to be reaped at a later time.

God has been very gracious to us; we have had the privilege of seeing souls being saved; they are Kenia, Gustavo, Aracely, Heber, Abner and Joselyn; now we are in the process of teaching them God's Word. Please pray for their spiritual growth.

The Lord is working in the hearts of the young men. We have a few of them starting to work in the ministry. They are ages 14 to 18. They have many things to learn, please pray for their spiritual maturity.

God continues to bless in a mighty way; praise the Lord! He has allowed us to see the first fruits from the work that started last July in Tzuitziribal. The first converts are Juan and his wife. Please pray for them to be deeply rooted in God's Word as Bro. Ananias and his family teach them each Sunday morning. Bro Juan and his family have been coming to our church for the afternoon Sunday service; please pray for their traveling mercies.

I am deeply grateful to each one of you that keeps faithfully supporting the Lord's work here in Guatemala; also I am very thankful for your prayers.

Please continue to pray for my health, to keep serving the Lord, for the church, the new work that is going very well and for the young people to keep walking in God's ways.
