

# Flo Martin MISSIONARY In Cantel, Quetzaltenango Guatemala

Sept. - Oct. 2014

God is at work in every life. On this occasion, Miss Naomi graduated from Bible College, is now a teacher of children, and serves the Lord faithfully. Thank you for your prayers and trust in the Lord that more believers will prepare for the work.

God is working in the lives of these young people; they received Bible classes for spiritual growth. Most of them now are preparing to serve the Lord enthusiastically. Some are not yet baptized, and we pray that they will make that decision in the near future. I ask your prayers for them.

We appreciate your prayers and your support for the work. The projector that we bought, has been of much use for the children's ministry and the church in general. Besides this, God gave us a young man to run it. He is faithful and loves to serve the Lord. Once again, thank you for giving sacrificially and faithfully to the Lord's work.

I am encouraged to move forward in the Lord's work. Although I no longer have the strength I did when I was young; but my heart is always in the work of the Lord, pray for my health. I still attend church and collaborate according to my strength. It is a source of encouragement to see how the work goes on; the work with children is important for us. Please pray that soon we will get some land to build a church, it is our present need. God bless. Flo Martin.
