

Flo Martin MISSIONARY In Cantel, Quetzaltenango Guatemala

2016

By the grace of God, our Vacation Bible School was a blessing. The children enjoyed a good time of friendship and study of the Word of God. We appreciate your prayers for this ministry, several children visited us all week and a few are still coming to church.

We are blessed to share with you that Widman a 16 years old was baptized, he attends church with most of his family. Pray that he will surrender his life to serving the Lord.

The young people are serving the Lord. We have seen the Lord work. He has raised a good group of young people to participate in different activities.

We keep knocking on doors to share the Gospel. Pray for souls to be saved.

We ask your prayers for a special request, we only have three months to leave the house where we have the Church, we are looking where to rent a home, we want to have our own church property. Our goal as a church is to raise (gather) \$30,000 in five years brethren please pray that the Lord will allow us to get the ground for building and meet our financial goal. If you want to help, please contact Pastor Thomas Sop / Karmen Hall Tel. 502-77634828, 502-58218786, 502-42664330. Mail. Sophall2005@gmail.com. Please continue to pray for my health, for the Lord to give me strength. Also for Pastor Thomas and his family, to go forward in the work, also for the church to keep going in the work of evangelization. God bless you.
