

Flo Martin MISSIONARY In Cantel, Quetzaltenango Guatemala

2017

Greetings brethren, may God bless you. We are delighted to communicate to you what the Lord is doing in Guatemala for His glory! There are souls being saved and discipled. Henry is a young man who came to the church as a child and later became a member of the church. Now he accompanies me to disciple other young people.

My wife is also part of the work of the Great Commission. She had the privilege of giving classes of discipleship to Julia, who is 31 years old. Thank God, she is attending church. Pray that she will soon be baptized. This year, our goal is to evangelize 2,000 people and baptize and disciple the people the Lord gives us.

Our ministry with the children continues. Last November, we conducted our VBS, and thank God for the children that attended. They learned about Jesus and heard the Gospel.

Each week there are 4 men from our church traveling to 2 villages bringing children to church. The church provides their transportation.

There is much more that we could mention. We would like for you to pray for us, as we faithfully serve the Lord. Please pray for Flo Martin, she suffers from her knees and her back, due to the cold weather. She still maintains the spirit of helping in the work of God. In Christ, Sop Hall Family and Flora Martin.
