

Flo Martin MISSIONARY In Cantel, Quetzaltenango Guatemala

2017

It is a joy to be able to greet you again and to tell you what the Lord is doing in Guatemala. The Lord has raised up our young people to become more faithful, have a good spirit of service and work for God. Every Saturday afternoon, we have Bible studies. Praise the Lord! they are willing to learn. Please pray for them.

To God be the glory! The Lord is raising up workers. Vicente is a young man who from his childhood attended our Church, was saved and baptized, stayed away for a time; but the Lord brought him back. He is studying at the Baptist Bible Seminary to prepare as a pastor. Currently, he teaches the young people and adults. Thank God for that! God's plan is that new workers will rise to work in the fields that are ready to be harvested.

Thank God for our Sunday School children! The Lord has given us beautiful children. Every Sunday, they come from different places of Cantel. We pick them up with vehicles. Every month they do some special activity. Please join us in prayer for these children to be saved, be faithful and serve God.

Thank you so much, beloved brethren, for your prayers and faithful Support. We go forward until the Lord takes us home. We are still raising funds for a church property. Please continue to pray for my health and for our pastor,s family, Pastor Thomas, Karmen, Timothy and Elizabeth. God bless you!
