Thanks, be unto the Lord, for each of you!

Your prayer is so essential as we continue to reach souls for Christ. It is only because of prayer that we have the health to continue, financial ability in this great recession and with Satan fighting on every side what chance is there for a missionary. Have you ever sat down and thought of all the odds against a missionary. We are very grateful for your prayers.

The walls will be up today on the new Sunday School for Colonia Matta. I must admit I am very tired, thank the Lord for His keeping hand upon us. Everybody arrived safely and working very, very hard to get this building complete this week. We once again thank Trinity B C of Big Spring, Texas for their sacrifice financially and physically to put up this nice building for our Sunday School.

We witnessed to a drunk yesterday. There is such a need for most men are addicted to alcohol and very hard to reach. As I was witnessing a crowd of came up to listen, children and men. Prayerfully the witness will grow in their heart as well.

Lena is doing very well and we are so grateful to the Lord for healing the joints that were operated on. There are other bad joints but we believe as you pray we will be able to go on prayerfully for many more years before having to have other operations. Please continue that the Lord would deliver her from the pain. Thank you.

It is so good to see the ministry do well and see the maturity in our people, I know you are pleased as well. The Lord certainly is good. May the Lord bless you richly for your prayers.

Yours in Christ,

Harold and Lena Priday
