Thanks, be unto the Lord, for each of you!

December, 2011

We are excited to report that your prayers are being answered in wonderful ways. The Sunday School building is going ahead and is looking nice. We hope to put lights in it this week. Next week we will have Daily Vacation Bible School in it even though the floors are not in yet. We hope to have over two hundred children come. Miss Gayle Sparks Missionary to Mexico is here to help us. We look forward to many souls being won as we work with the children in Colonia Matta.

We were pleased to see a new family in church in Colonia Matta last week. Another blessing is to see one of the young men taking leadership with the young people. Selin was one of the Bible institute students and has matured into a fine leader.

My Sunday School class in El Carmen is now turned over to Brother Mike Adams as Walter, the young man in training, takes more responsibility in the mission work. They are now having more services a week and my prayer is that they will be able to move the services from our Bible institute to Barrio San Francisco where there is a need for a church and also is where Brother Walter lives.

We thank the Lord for repairing our pickup. Last Saturday as we were going to church the dash lit up with red lights. The tension idler on the belt that drives all the accessories on the pickup froze and broke apart. After getting the pickup back home we found out that it would cost \$300 for parts and another \$40 for labor to repair it. I took it to a Christian mechanic and he was able to adapt a used Dodge part to the Ford and it only cost \$80, Thank you again for your prayers and the Lord's blessings.

We will be having a special Ladies meeting in our home next week. Lena is very excited about the results in her Friday classes. She teaches about 25 ladies and several are new.

We are looking forward to celebrating the birth of Jesus. The time will be filled with Christmas programs, special services, tamales and a traditional bonfire on Christmas Eve. We continue stressing that it is Jesus we celebrate not the season and activities. We pray that the Lord will be honored and glorified around the world and that your church and home will be greatly blessed.

We want to wish you a Merry Christmas and a Happy New year.

Yours in Christ,
