Dear Pastor and Church,

We appreciate your faithful prayers and support as well as your interest in Honduras and lost souls. We enjoy serving with you as your missionaries.

We are working primarily with two works and helping with several others. The mission work will be organized into a church this year and Brother Walter will be called as pastor. We are very excited about seeing this work mature to this point.

We are working in the church in Colonia Matta to help the pastor get through some very difficult times. His mother is in the last stages of Alzheimer's and his father is paralyzed from the chest down. Both demand constant care. They are taken care of by Pastor Polo in his home as there are neither facilities nor personnel here in Honduras for these needs. The church is growing and has a very busy schedule meeting, four nights a week plus Friday afternoon and Sunday Morning. I help with preaching and Lena and I are the young people leaders.

With the mission work, Friday ladies meetings, helping other missionaries, helping with the deaf ministry, our needy children ministry, preaching and the church work, we keep very busy.

Last week we were directing Daily Vacation Bible School (our summer school break in Honduras is now) with an attendance over 175. There were souls saved and some dedications. We are grateful to Missionary Gayle Sparks, Mexico, who came to help us. There were four great teachers and five wonderful teens working.

Next month we will have the national Ladies conference in our institute facilities, Lena will be the speaker. Youth camp follows in April and many special events coming up. Our desire and ministry is to win souls, train them and organized them into local New Testament churches. We appreciate your prayers and support as we continue to reach out.

If you need any further information please feel free to ask. Thank you.

**Yours in Christ,**

Harold and Lena Priday
