**Thanks, be unto the Lord, for each of you!**

March, 2013

We are very grateful for those who have been praying for Youth Camp and very thankful to those who gave an offering. The young people had activities of selling corn on the cob and traditional tamales to help get enough money so all could go. Eleven will have their lives changed who could not have gone without help.

Brother Walter will be preaching Tuesday night, I will be Wednesday and Brother Daniel Friday night. Brother Walter is being trained to be pastor of the mission when organized. Brother Daniel was a teenager in our first youth camp 36 years ago and now pasturing a church in the capital city.

We had an interesting experience. I was having coffee with another missionary and a young man came up and introduced himself. He had been in the coffee shop a couple weeks before when we had a practice interview with Brother Walter and overheard the conversation and wanted to tell us how impressed he was. We witnessed to him and invited him to the mission work. We never know when someone is listening and how the Lord might work.

Last week was Father's Day in Honduras and we had a good number of complete families in the service. It was a wonderful time of testimonies and challenging to all.

We are praying for Brother Juan who was a devout Catholic and was saved last year. He feels that the Lord may be calling him but his wife is against it. It is hard to find men who are willing to step out to serve the Lord. We could have many more missions if we had men.

This week we had to do roof repairs to stop leaks and are putting a sealer on. We are buying paint as we can in preparation for painting the institute. We pray the Lord will provide for the many repairs that need to be done.

Next week is Easter week, very important. We will be remembering what our salvation cost. Remember the anguish and pain the Lord went through. Hear his cry.

Mark 14:34-36 "My soul is overwhelmed with sorrow to the point of death," he said to them. "Stay here and keep watch."

<sup>35</sup> Going a little farther, he fell to the ground and prayed that if possible the hour might pass from him. <sup>36</sup> "Abba, Father," he said, "everything is possible for you. Take this cup from me. Yet not what I will, but what you will."

Yours in Christ,

Harold and Lena Friday
