**Thanks, be unto the Lord, for each of you!**

**May, 2013**

Greetings from sunny Honduras,

We have been traveling so were not able to keep up our correspondence. We are grateful for the prayers that have held us up before the Lord.

At the end of our vacation we were able to be in our home church, Victory Baptist Church, Weatherford, Texas with our pastor Charles Wetherbee. They were having their mission conference and what a blessing it was.

Thank you Victory for a wonderful time in the Lord and for the very generous offerings.

Youth camp was wonderful. Every year it is better and our teens are looking forward to next year. Their testimonies were very moving showing the Lord working in their lives.

In my last prayer letter I made a very bad mistake, please forgive me. I wrote the letter while very busy with youth camp and when I copied the verse at the end off of the internet somehow it put the wrong version. I have the Bible in Spanish on my laptop but not the English Bible as I only use it in my devotions from my Bible. I use only the King James Bible. I was very surprised when I received a phone call drawing my attention to the error. I am very sorry.

Please be in prayer for the ordination of Brother Walter Cortez and the organization of the mission work into a church, Iglesia Bautista Maranatha of Barrio El Carmen, Siguatepeque.

Please pray also for Manuel who lives with us as we help him get his education. We have a help the children program and Mrs. C.J. Finch is sending a generous offering which with our help provides him with a home and education. Manuel will be graduating this year in computer. He is one of the best students and we are excited about his future. He is a very dedicated Christian and very active in the youth group. Manuel was abandoned by his parents and was not able to get the education he needed. If you know of anyone who would like to help a child please let us know and we will designate a child to receive your support. You will receive pictures and letters. All of your offering will go only to that child.

Night before last thieves grabbed our grandson, Halbert, and his friend as they were getting into Halbert's car. They tied them up and stole everything they had including Halbert's car. We appreciate your prayers for them as they work through this. The police did find the car abandoned the next day with only the new battery stolen. Halbert uses his car for his business and it was full of products, his computer and his cell phone.

Thank you for your prayers and concern for us in Honduras.

**Yours in Christ,**

**Harold and Lena Priday**
