Thanks, be unto the Lord, for each of you!

We appreciate your prayers and also the many who helped support youth camp. We had 57 at camp, this was only possible because of the prayers and sacrifices made. There were 9 saved as a result. One of the highlights was taking the camp by bus to a remote area two different days and holding Daily Vacation Bible School. The teens did everything, while the leaders supervised. It was a big job setting up and controlling everything but the Lord blessed. One of the teens from our work taught one of the classes for the children, it was exciting to see. It was a wonderful experience for the teens. Some of the adults witnessed to the parents who brought the children and two were saved, Lena spent two hours counseling one of them who had just been released from prison. Three children were also saved.

Bearing Fruit. Everyone at camp was a result of our coming to Honduras 40 years ago. Thank you for your prayers and support.

Another big highlight will be Lena and I celebrating 55 years of marriage this month. We thank the Lord for giving us the health and protection to make it this many years. They have been good years full of blessing from our wonderful Savior.

The new mission work is going well. We have been experiencing many exciting blessings. Nelson has been taking classes from us and now Nery has joined us. Their desire is to be able to teach and preach God's precious word. Ana started teaching two grade school classes and one adult class at school the Word of God this week. We are helping her with the tracts and Bibles which will have the address of the new mission work; Iglesia Bautista Gracia, Barrio San Francisco. We visited a couple yesterday that told us they are joining with us. They are both dentists and very dedicated to the Lord.

Yours in Christ,

Harold and Lena Priday
