***Thanks, be unto the Lord, for each of you!***

We have had tremendous times here in Siguatepeque.

Thanks to Heritage Baptist Church, Haslet, Texas we have a new auditorium to meet in at the mission work with lights, ceiling fans, windows. They painted the new building and painted on the old building and on the Bible institute, everything is bright and clean. We have since put up a small entryway to protect the new door and protect the people as they come from the rain, and today we put up curtain rods.

The group also had a great outreach with tracts, books of John and Romans and special programs to schools and in football fields. They had a puppet show at each place that was great, sang wonderful songs and had a clear simple message.

In the mission work We have had five saved in the last two weeks and broke our attendance record twice with our people. At our school outreach this week we had fifteen saved.

Nelson is really growing in the Lord. He has preached great messages several times and is starting a Wednesday morning visitation program. Nery has given a good report on his new class in his church and is excited about our Saturday study with him to help him teach and one day preach. He is from Leslie's work.

Thank you for your prayers that helped us get through the problems that we had. God is good and your prayers were answered. Thank you.

We continue to reach the local school with four classes a week to first through eleventh grades and we have added an additional visitation program to reach our community. Please pray for the upcoming national men's conference that I will be teaching.

Yours in Christ,

Harold and Lena Priday
