Thanks, be unto the Lord, for each of you!

We have had **record attendance**. In one service we only had two seats vacant. It has been wonderful to see the people mature in the Lord. As they mature they bring in others to hear the Word of the Lord. This week we had two more visitors.

Last week we were able to **baptize three**. It was a nice day and we were in a very nice outdoor pool to baptize. There was a good group to sing and praise the Lord. One of the ladies has been helping in the church and will be helping with the young people, the young man was saved in youth camp and we look forward to having another faithful servant for the Lord.

The **youth meeting** contained three of our works from around town and there were 31 present. Our grandson, Halbert, was in charge of the meeting and preached wonderful message to them. There were youth, now young adults, from our work in Colonia Matta who were from the early formative years there. They started as young children and now they are leaders.

Youth camp will be in only two months. ***We need your help***. Please pray and please help us raise a thousand dollars for the youth to be able to go to camp. Half the cost is being paid for and the youth will pay some but we must raise this amount to make it possible for them to go. According to internet 85% of Hondurans are on starvation levels and these youth are a part of that group. We must help them. I will be teaching a series of classes out of Revelation along with our pastor from the capital city. Our son, Leslie, will be directing the camp. Nelson has been doing a great job of teaching in the mission work in San Francisco and we are very excited that Samuel has been taking on new responsibilities. Another exciting event is one of the Youth, Anahy, has volunteered to lead the singing for the youth meetings. We have seen a lot of spiritual growth and maturity in the youth group.

Two weeks ago we were up at 5 am, prayer, Bible reading, 7 am took care of Mikes home and dogs, 8:30 am picked up leaders to take to a remote area for a leadership workshop. I couldn't make it with the car the road was so bad and had to take our 4 wheel drive pickup to take supplies to them. In the afternoon we had the youth meeting in the mission work, a busy day and then that evening I made the photocopies for Sunday school classes. Thank you for your prayers and support. God is blessing your ministry in Honduras.

Yours in Christ,

Harold and Lena Priday
