Thanks, be unto the Lord, for each of you!

Urgent Prayer needed.

Lena has been given a good health report and is gaining more strength each day. She is through with therapy and is doing very well. Her heart is strong and there was not any permanent damage. This is a real answer to prayer.

Prayer works. Thank you.

Your prayers are very important. God is good.

Please pray for our trip back home and the busy schedule that follows.

We start out the end of September receiving **Phil and Debbie Sawilowsky** who will be holding special meetings for two weeks. They started and administer the OLIVE TREE MINISTRY INTERNATIONAL. They will be teaching our people how and challenging us to reach the Jews in our area. We will join three churches for the special meetings.

We will also have a two day national men's conference with churches coming from four areas of Honduras. Our son, Leslie, is heading up this large endeavor. This is a great opportunity to train the men of Honduras for the Lord.

Please join us in prayer because the newest mission is not very old and there have been several problems with which we will need to deal. As you pray, please include property to build on as our meeting place is not permanent; and with the growth, we must move towards purchasing property and building. We will be busy training the Sunday School teachers, preacher and leaders as the Lord provides. Lena and I are looking forward to teaching our classes and I am excited to be preaching in Honduras again.

Nathan, our youngest son, will not be returning home with us but has started college in Weatherford, Texas. He is looking for a job and he certainly needs your prayers.

We thank the Lord for seeing us through these very difficult months. We are grateful for the restored health and the opportunity to continue serving Him in Honduras.

Thank you for your help, support and prayers.

With you, we are looking ahead to exciting times with wonderful results as the Lord does His work through you with us.

Yours in Christ,

Harold and Lena Priday
