Dear Prayer Partners:

Greetings from wet yet green Honduras! The dust, smoke, and brown scenery have given way to heavy rains, mud, and beautiful green colors. It is hard to imagine your summer while we are in our rainy season here in Honduras. We are deeply grateful to you for your prayers and financial support. Thank you for being our partners in the ministry here.

We praise the Lord we had a wonderful Youth Camp during HOLY WEEK. Due to the economy here, the attendance was lower this year. We thank the Lord for two boys who accepted Christ as their personal Saviour and for many others who made decisions. We started on a Tuesday and ended on Saturday. Each one that went to camp from our mission church gave their testimony in a special service. We had two Bible classes each day on Prophecy and the book of 2nd Peter. Each night we had a special service. A new activity this year was the adventure games on cables 30 feet in the air. This taught teamwork, trusting each other and the Lord, self esteem and other values. Friday night we had a very sweet bonfire service. We thank those who sent special offerings to help pay the way of the campers. Without your partnership, Youth Camp would be impossible. We were close to cancelling camp because of finances, but praise the Lord we didn't. Praise the Lord for His blessings this year!!!

Leslie's parents, HAROLD and LENA celebrated their 50th wedding anniversary April 15th. We had a special reception here for them honoring this Golden Day. We all had birthdays in the following three weeks. We thank you for your emails and birthday cards. The church recently had a special surprise service honoring me. They had a pastor from another area preach, special music, and a meal. It was very exciting. Please begin to pray for the Men's Conference in September. Thank you for your **prayers and financial support**. We consider it a **privilege** to be your missionaries to Honduras.

Yours with Hope For Honduras,
