Dear Pastor and church,

Manifold blessings in the name of our Lord. Kathy and I just recently celebrated our 45th wedding anniversary! We pray for continued blessings and many more years ahead. We are also humbly grateful to be privileged to be His ambassadors to the Dominican Republic for the past 20 years. To God be the glory.

There have been a rash of robberies lately in our ministry area and the neighborhood where live. Our mission was robbed of all our tools and our ladder, hindering the progress of our bathroom project. It is for certain that Satan is working double time in these last days because he knows his time is short.

We are happy to report the we have completed the construction of the new concrete roof for the bathroom and Children's Sunday School building. The building is now made strong enough to withstand hurricane force winds and provides a shelter for folks in the area who live in sub-standard houses with tin roofs.

We expect the restroom project to be completed real soon. Many thanks to the churches and individuals who had a financial part in these long needed improvements.

Please note the addresses for letters and packages in the information box at the bottom of the letter.

Please pray for Ron, as he has a slipped disc, as a result of doing construction on the church property.

Thank you again for your prayers and support. . Your faithful prayers and concern make it possible for us to effectively reach precious Dominican souls with saving Gospel of Christ.

"Not because I desire a gift: but I desire fruit that may abound to your account." Phil. 4:17

For Dominican Souls,
Ron and Kathy Valerio
