

JULY 2012

Dear Pastors and Friends,

### **MANY BLESSINGS!**

We want to greet you in the name of our Lord Jesus Christ our Saviour. We have been very blessed in our Lord since our last letter. First, the Lord has healed me of a bad head cold I had in May. Also, He has given me a new foot and leg brace and a new knee brace to help me walk straighter and to strengthen my leg better. My last doctor appointment went very well. The doctor is very happy in my recovery so far. I am still under his care.

### **NEWS FROM SAN ANTONIO, TEXAS**

On July 15, Sunday night, the Lord allowed myself and Karin to visit a church, Faith Orthodox Baptist Church, located in San Antonio, Texas that was established by my parents, Sydney & Dorothy Johnson, faithful missionaries for many years, in 1944. Bro. Trinidad Montoya was a student of my father. He was pastor of the church for 60 years. His sister, Juanita Montoya, still attends the church. She has known me since I was born.

I had the privilege to preach on Rev. 21:3-4. My title of the message was, "The Two Pending Trials" & "Why Christ will Wipe Away our Tears". Also, my wife gave her testimony how God healed us both from our tragic illnesses. It was a wonderful service for us.

The church has a new pastor, Bro. Juan Lopez. He is married and has 3 sons and 1 daughter. He was ordained about a month ago.

### **PRAYER REQUESTS**

1. Lord-willing, we will be working with Bro. Lopez and the church in the near future. Please pray as we put this decision before the Lord.
2. Pray for our health that God will heal us completely.

### **MANY THANKS!!**

We would like to take this opportunity to thank you for your faithful prayers and and your support to our ministry over the years. We could not have accomplished what we have done and will accomplish if it were not for your faithfulness to Him.

**YOUR MISSIONARIES,  
TED & KARIN JOHNSON**
