

MISSIONARIES FOR 37 YEARS

JUNE & JULY 2013

Dear Pastors & Friends,

NEW CONVERTS & FUTURE BAPTISMS

Spring is in full swing. It is a time of new beginnings. Like the new birth, all is made anew and eternal. It is a blessing to see new believers start new lives and grow in the Lord. We have families who have recently been saved and are receiving discipleship before baptism. The new family are the first ones to be baptized since **Bro. Juan Lopez** was ordained into the ministry. It is always a special memorable event that will never be forgotten. We pray that many others will be saved.

ANNIVERSARY OF THE CHURCH

The next event at the church will be the 69th anniversary. I know it will be a great day for all the members especially for **Miss Juanita Montoya**, who has been a member since 1947. Her brother, **Bro. Trinidad Montoya**, was pastor from 1953 through 1998. In 1998, he went to be with the Lord. What faithfulness of Miss Montoya, who has served the Lord since she was 17 yrs old.

HEALTH REPORT

I had my 2 month check-up. The results were very good. My right leg and arm are getting much better. Praise the Lord. I am now receiving Home Health Care and receiving Physical Therapy treatments with the goal of walking without my brace. I am also, receiving Speech Therapy treatments in a facility in San Antonio. We pray that everything goes very well.

WORKS IN MEXICO & WORK REPORT

The church that we started in Chihuahua is doing very well. **Bro. Jesus Manuel Minjarez**, a long time member, with help of other men of the church, are helping out. Praise the Lord for faithful people in the church.

I am continuing teaching the **Discipleship Class** on Sat. mornings and the **Young Adult Class** in Sunday School and also, preaching once or twice a month. I also give lessons to the **Men's Group** sometimes. Karin goes visiting with the ladies on Saturdays handing out gospel tracts witnessing door to door. Pray that many will be reached through God's word. She also, helps out to play the piano.

Thank you for your faithful prayers and support for our ministry here in San Antonio, Tx.
