Dear Pastors & Friends,

BAPTISMS, VBS, & SOUL SAVED

A week before the Vacation Bible School, Bro. Lopez baptized 5 people of the church. Praise the Lord!!

Bro. Lopez asked me to direct the 3-day VBS for the first time in a long while. The Lord blessed with about 35 in attendance & 1 young girl made a profession of faith. Praise the Lord!!! Also, Karin taught the Beginner's Class.

I led a man, Mike Gomez, to the Lord, who was brought by one of the faithful members of the church, Bro. Ruben Bravo.

SEMI -ANNUAL MEETING

On Oct. 15-17, we had the privilege to attend the Semi-annual Fellowship meeting in Big Spring, TX, at the Trinity Baptist Church, Dr. Randy Cotton, Pastor. This church is one of our faithful supporting churches since May, 1977. It was a special blessing to me, for in this meeting the Lord confirmed His calling to Big Spring, TX to start an Hispanic church. On the last day of the fellowship, Dr. Jerry Siler, President of IBFI, asked everyone to come forward for prayer. My wife, Karin, had prayed that the Lord would give us a soul before we left Big Spring. The Lord answered her prayer. I was able to lead a lady, Anna Lopez, to the Lord at the Furr's Cafeteria. What a blessing!!

THANK YOU

We appreciate your prayers & financial support. Without your help, many souls would not have been won in Mexico & here in San Antonio, Tx. Thank you once again for your love, prayers, and financial support over the years.

TILL JESUS COMES,

TED & KARIN JOHNSON
