Dear Pastors & Friends,

THANKFUL FOR HIS BLESSINGS

We thank the Lord for His great love and mercy He has shown to us through His dear Son the Lord Jesus Christ. This past Christmas, we had all our family together. Our oldest son, Joel and his wife, Karina came from Chihuahua, Mexico; our daughter, Rachel, her husband, Josue Ayala, & our grandson, Yadid Gabriel; our youngest son Steven. Also, my wife's father, brother, & his son came to be with us too. It was wonderful to have all the family together.

We thank the Lord for the Pastors, Churches & Friends who have been so faithful to the Lord. Also, for your faithful prayers & financial support during our time in Mexico & here in the States.

WORKING FOR THE LORD

We have been helping in the **Faith Orthodox Baptist Church** in San Antonio, Tx. Pastor, Bro. Juan Lopez, working with the Hispanic people. I have the privilege to preach God's Word & my wife helps with the music & helps with a class during the Preaching Service. Also, we visit 2 elderly sisters who are members of the church. One of the sisters, Ruth Hebert 84 yrs, is now in a Nursing Home and the other sister Rachel Luna 93 yrs, cannot attend services & is at home. We sometimes make house calls with one of the ladies of the church, Juanita Montoya, who knew my parents, Sydney & Dorothy Johnson. It is so wonderful when people we witness to, come to the saving knowledge of our Lord Jesus Christ.

NEWS OF NEW BABY & OUR PASTOR

Our Pastor, Bro. Juan Lopez and his family had a special arrival of their first grandchild. Their daughter had a son, Miguel Angel Iturralde. He weighed 7 lbs. The mother and baby are doing fine. Pray for the family.

Bro. Lopez had a very delicate surgery in the back of his neck on Jan 16. Pray that the Lord will continue to heal him in a mighty way.

PRESENTATION & ADDITIONAL SUPPORT

Pray for our completion of our **DVD Presentation**. The pastor who is doing it for us, has had some difficulty preparing it. We just got word that he has some new equipment. This has set us back so we hope we can have it finished soon. We will be making appointments to raise our support to go to Big Spring, Tx to start an Hispanic church where the Lord has called us to work. We need additional support to make this possible. So please keep us in your prayers at this time.

HEALTH REPORT

We received news that all my tests came back good. My blood pressure, cholesterol, liver, and blood work were normal. Praise the Lord and thank you for your prayers. Thank you for your faithful prayers and financial support for us. Thank you for your help in the ministry the Lord has given us. Only in Heaven will we know the rewards.

Till Jesus Returns,

Ted & Karin Johnson
