

Sept. 2015

Dear Pastors & Friends,

I believe with all my heart that the rapture is going to happen very soon. Things are winding down. Next year, it will be 70 yrs that Israel became a nation again. In I Cor. 15:52 it says, "In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, & we shall be changed."

#### WORK REPORT

A few Sundays ago, I had the privilege of preaching in both services. I preached in one service on the coming of Christ. What a blessing to preach God's Word!!! We must do what the Lord commands to reach the lost. ..."for night cometh when no man can work." John 9:4. Karin still plays the piano, organ & teaches when she can. She also, witnesses to people she comes in contact with & gives out tracks.

We have been witnessing to a maintenance man who works here in the apts where we live. Karin gave him a Bible and invited him to our church. He is from Torreon, Coahuila, Mexico. We told him we were missionaries there. We pray that he will accept Christ into his heart. There is a lady who lives next door to us. We have been witnessing to her. Please pray that the Lord will touch all the people we come in contact with day by day.

#### HEALTH REPORT & THANK YOU

My last appointment with the Dr. was very good. The Dr is very pleased with my report. Karin has recuperated very well from her Bilateral Mastectomy surgery. The surgery had to be done to keep her breast cancer from coming back. She is also recovering from having kidney stones removed and a bladder infection. Praise the Lord, He is our Healer. She now is starting a Clinical Research Trial for her Fatty Liver Disease. We know that the Lord is not through with us yet. Karin has had her share of medical problems but there is so much to be done before our Lord returns.

May the Lord immensely bless all of you and use you to win many to Christ. Thank you for your special offerings, letters, birthday cards, emails, etc. It is very encouraging to us. We appreciate it very much. May God bless you all for your faithfulness. We appreciate your prayers and financial support.

MARANATHA,
