Dear Pastors and Praying Friends,

Time has flown since our last update! I hadn't realized how long ago I sent the last one out. We have seen a lot of things happen this year!

We are currently in the middle of VBS. Last night was our first night. We had 12 in attendance, with two being first time visitors as a result of our outreach. Our theme is "Ridin' the Trail of Truth," we are wrangling up outlaws that have broken God's laws and using the 10 Commandments to convict them! Please pray that the schoolmaster of the law will bring many to Christ.

This past March, we baptized a young girl named Tatum, who had been saved in December. She went through our discipleship course and then had a desire to follow the Lord in baptism. She has been attending faithfully and is now bringing her boyfriend, Seth. Please pray for them as they grow in the Lord.

Speaking of our discipleship classes, we offered these to our entire church and had a lot of interest from people that had not been discipled in the past. Once we finished the level one basics we had people asking, "Can we do another one!?" In July, we plan to start another course that goes a bit deeper into what we believe and why we believe it (i.e., the Inspiration of Scripture, the Trinity, etc.).

We will be taking nine teens to camp next month as well! We are very excited, as this is a first time for many of them to go. We are praying that the Lord will work in their hearts and we will see them make the decision to submit to whatever He will have them to do with their lives.

Finally, we are in the midst of updating our sanctuary! We have improved our livestream quality with a new camera, and God provided a new computer to us at no charge to help it run more clearly. We are planning to paint, trim, add some décor, and just give an overall facelift to our property. Please pray for us as we try to gather the funds to make God's house the best that it can be.

In Christ,  
The Roa Family (Tony, Melissa, Audrey, and Caleb)
