

On the Wings of Prayer

“Because thou hast been my help,
therefore in the shadow of thy wings
will I rejoice.” Psalm 63:7

A Sure Foundation

“... Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste.” Isaiah 28:16

In our area, home foundation repair is big business. This year's drought has resulted in waiting lists of almost a month just to get an evaluation. While repair services are always available, the end results are not always good. If the foundation is strong, the house can be lifted and stabilized by wise repairmen. But this is not always possible. Besides being built on unstable soil, some houses have weak foundations. When attempts are made to set things right, the foundation crumbles under the load. As beautiful as a house may be, if the foundation is wrong, the house will never be right.

We build our lives like men build houses. Jesus Christ is the only sure foundation. All others will crumble under life's load. Make sure to build your life on the Rock of Ages.

“He only is my rock and my salvation: he is my defence; I shall not be moved.” Psalm 62:6

- **Daniel and Michelle Jones (Mexico)** will be starting their furlough in September 2011. So far, there have been fifty-two saved at the two Vacation Bible Schools. There will be a total of eight VBS. Please pray that many more will be saved. Thirteen Bible institutes have been started as a direct result of the Jones' ministry in Mexico.
- **Harold and Lena Priday (Honduras)** have been busy getting the walls up for the new Sunday School building for the church in Colonia Matta. Trinity Baptist Church in Big Spring, TX, came and worked hard to get the building up. Lena is healing and seeing improvements in her hands after joint surgery. They ask that you continue to pray that she would be relieved of all the pain.

- **Bill and Sharon Smith (Brazil)** are celebrating their fortieth year as missionaries. The church is supporting two missionaries, one to Chile and the other to Venezuela. The missionary in Chile is beginning a new work. The Smith's church was able to raise \$120.00 to buy chairs for them. The great commission is being obeyed all around the world. That is exciting!
- **Mark and Tricia Haynes (Navajo Nation)** held a VBS in a community called Nazlini. The Lord blessed, and they had an average attendance of sixty-four with twenty-four people accepting Christ as their Savior. The Lord is blessing their soul winning efforts. Several have been recently saved during visitation. The church continues to grow and the church building is full.
- **True and Diana Hawkins (Brazil)** have had a busy month with three weddings, one revival, one Bible conference, two mission conferences, and two church anniversaries. They had their first music congress with good attendance. There were forty-four musicians present with their pastors. God continues to use the several Bible institutes up the river in jungle areas. God's men are being trained to be pastors.
- **Frank and Amanda Smith (England)** have received encouragement and financial support as they travel from church to church. They now have 70% of their needed support. Preparations are being made to arrive in England in January.
- **Prayer Request** For our missionaries to have wisdom to do the great work God has given them to do.
