

On the Wings of Prayer

"Because thou hast been my help,
therefore in the shadow of thy wings
will I rejoice:" Psalm 63:7

Dear Friends,

We are encouraged by your response from last month's letter. I told you of our need to raise an additional \$200 per month in support for the mission office. So far this month, we received increased monthly support for the mission office of \$103, another promise of \$30, and a one time gift of \$120 to help with the \$750 deficit. Please continue to pray for us that we may reach our goal. We need \$67 in additional monthly support to do that.

Thank you for your prayers for us and support for the mission office. There is an ever increasing need to send the Gospel of Christ around the world through World Missions. Please be in prayer for our missionaries as they faithfully serve God. Many are in difficult and dangerous situations regularly. Pray for God's continued protection and blessings on their soul winning and church planting ministries.

In Christ
