

On the Wings of Prayer

"Because thou hast been my help,
therefore in the shadow of thy wings
will I rejoice:" Psalm 63:7

A Sure Foundation

"Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste." - Isaiah 28:16b

In our area, home foundation repair is big business. While repair services are available, the end results are not always good. If the foundation is strong, the house can sometimes be lifted and stabilized by wise repairmen. But this is not always possible. Besides being built on unstable soil, some houses have weak foundations. When attempts are made to set things right, the foundation can crumble under the load. As beautiful as the house may appear, if the foundation is wrong, the house will never be right.

We build our lives and families like men build houses. We build on a foundation. Jesus Christ is a tried and precious corner stone. All others will crumble under life's load. Jesus Christ is the only sure foundation for time and for eternity. Make sure to build your life on the Rock of Ages.

"He only is my rock and my salvation: he is my defence; I shall not be moved." - Psalm 62:6
