

# On the Wings of Prayer

“Because thou hast been my help,  
therefore in the Shadow of thy wings  
will I rejoice:” Psalm 63:7

## Fine Fellowship

We enjoyed a great time of fellowship at the October IBFI meeting hosted by the Walker Springs Road Baptist Church of Jackson, Alabama. Pastor David Webb and his wife D'Ann led the good members of the Church to make a truly memorable meeting. The preaching was powerful on the theme, “We Can Pray”. I believe that all who attended are praying more and more fervently and will see more souls saved and more fruit for Christ in their ministries because of it. The food was fantastic and nothing was held back in treating us all like royalty with menus including steak and a seafood feast. The fellowship with dear friends was truly a blessing. It was kind of a foretaste of that great day when the redeemed of the Lord shall gather together at the marriage supper of the Lamb. The meeting was well attended from beginning to end, and for those who stayed till the end, there was a drawing with several prizes generously provided by the church including two hunting trips and a January Cruise. We left the meeting refreshed and encouraged. Our Thanks go to all who worked and gave to make this meeting possible and for all who took time away from their busy schedules and traveled to Jackson, Alabama to be a part of this great meeting. It was a tremendous success. I know this, Shirley and I will be remembering this meeting and Pastor and Mrs. Webb and the giving folks at Walker Springs Road Baptist Church come January 21.

October 2012

- **Daniel and Michelle Jones (Mexico/Rio Grande Valley)** are at the end of their furlough time. God has directed the Jones' to minister in the Rio Grande Valley. This is a step of faith and obedience. The Jones' will be starting churches and a Bible Institute in this new area, while continuing to work with the Bible Institute in Monterrey. This area has a Hispanic population of over 90%. The need is great, but God is able to meet the need.
- **Mark and Tricia Haynes (Navajo Nation)** report a good camp meeting. Fourteen came to Christ after Bro. Ryan Nez, youth pastor at Ganado Baptist Church, preached. The Haynes' report many being saved at the three VBS locations with a total of eighty-one

- **Harold and Lena Priday (Honduras)** report a tornado in their area that knocked down several trees in their yard and took off the roof of one of their buildings. Their home was not damaged. They recently had “Children’s Day” at their church with lessons, a meal, and activities for the children. The children received the book of John and Romans, tracts, and goodies. There were ninety books and tracts handed out. The Priday’s report a good attendance at a recent youth meeting they had in their home.
- **Ted and Karin Johnson (Mexico-Medical Leave)** had a special time of fellowship at their home church, Victory Baptist Church in Beavercreek, Ohio, Pastor Bill Keen. The church was celebrating it’s 35th anniversary. Ted and Karin also had the opportunity to give a report in some of their supporting churches while in Ohio. Ted is teaching a Discipleship class. They are busy working in the ministries of the church. Please continue to pray for Ted’s health and recovery.
- **Prayer request:** Wisdom, guidance, and strength for each of our missionary families. The Coker’s safety as they continue to minister in Mexico. The Haynes’ construction on their church building in Ganado. The Hawkins’ “turn over” project of training the nationals to take over more of the leadership in the Institutes and churches. Michelle Jones is having some problems with asthma. Our missionaries as they train nationals to teach and train others.

## *Happy Thanksgiving*

I know thy works: behold, I have set before thee an open door,  
and no man can shut it: for thou hast a little strength, and hast  
kept my word, and hast not denied my name. ~
