September 30, 2016 – Graduation & Indigenous Missions

Dear Praying Friends,

The 36th anniversary of our Bible Institute, was held on July 1, 2016. This is the 31st graduation exercises of the Institute, an Institute that has reproduced 15 other institutes. (I think that is what you call indigenous missions). This is the first graduation in the new facilities of the Bethesda Fundamental Baptist Church (which we will be dedicating in November).

During the graduation ceremonies, 8 students graduated (pictured to the right). This is the largest graduating class thus far! Seems like every other year we say the same thing! Praise God for what He is doing in raising up a generation of pastors, missionaries and evangelists, Sunday School teachers and wives of ministers to serve in Mexico and in the World!

The graduation ceremonies were also the third graduation exercises of a post-graduate diploma in Missions which operates in conjunction with the Bible Institute of San Luis Potosí, to help pastors, missionaries and lay folks get more involved in

missions. This year, 5 graduated from the specialized courses (they are pictured to the left). This understudy has helped a lot of pastors to get the missionary vision in México. Please keep this in your prayers.

Pastor Luis Ramos (pictured to the right), pastor of the Bible Baptist Church of San Luis Potosí, Mexico was the special speaker for this grand occasion.

The picture to the left is a partial view of the new auditorium.

We are glad to inform that we have representatives of our institute in many countries of the world: In the US (Florida, Texas, Oklahoma & Indiana), Mexico, Guatemala, Panama, Peru, Japan, Korea, Argentina & Poland! (Again, I think that is what you call, “indigenous missions”).

You make it possible for us to teach the Word of God to Hispanics so that they can reach the world for Christ!

In Him,

Daniel L. Jones, Sr.
