**May 31, 2013 – Bethesda Baptist Church - McAllen**

Dear Praying Friends,

**Missions:** We had our first missions conference in Bethesda with two missionaries (one to Puerto Rico and one to Japan). Though our people had never heard of Faith Promise Missions, they gladly promised \$6,000 for missions for this next year!

**Discipleship:** This month, four finished their first discipleship course, pictured to the left. We have another person finishing Sunday June 2, and another two finishing June 9! Right now, there are 13 starting a new discipleship course on service (what we expect of them if they are to serve in the church). Please pray that we will soon get some help in the Sunday School classes. Right now,

Michelle teaches the class by herself, pictured to the left, but with this new discipleship course, we hope to get some needed help.

**Soul-winning:** We started out with 9 people going out to win souls and have steadily grown to 13! Since taking the first level of discipleship, three have won their first soul to the Lord! One man told us that he had been in a church 11 years, and had never seen the pastor go out and evangelize, much less his wife. He was surprised to see us go out and knock on doors! We thank God for "Beams" who sent us some needed Bibles for these new Christians.

**Attendance:** The average attendance for April was 35, and in May it has jumped to 43. Souls are being saved, and we have baptisms programmed for Father's day! On Mother's day we had a high of 47 in Sunday School! The picture to the left is a partial view of the congregation.

**Medical News About Michelle:** Michelle has been undergoing some tests that have really put a crunch on our finances. She has a high deductible and after that we pay 20%. So far we know that she has asthma real bad, and that her lungs are O.K. and her heart is also. On top of that she has sleep apnea, and will undergo some more sleep tests in the future.

Please keep the works in Mexico in your prayers, they are running 400 in Bethesda Mexico now. We praise God that Joel, the young man going to Japan is here now, pictured to the right. He is here for special training before he goes out on deputation. He is helping at leading the singing, preaching and visitation, and will help in other areas in the near future.

In Him,
