**Participation**

Dear Praying Friends,

Participation is what will grow a work. We thank God that after two years, we are finally seeing the work grow with the new members grow in participation.

**Michelle and I participate** in many ways: I preach, & train preachers, we train workers, visit & go soul-winning between 8-10 hours a week and teach in the Sunday School. We still clean, do the legal work and the banking for the church. We also pick up people & and take them to the services.

**Our people are participating** in song directing, taking up the offerings & counting them, singing specials, teaching, cleaning, decorating, and making announcements. They are growing in the work!

Please pray as we continue to train them so that we can concentrate on starting new works for his glory. We are in the process of looking for land (more details on this in our next letter).

In Him,

Received in Feb. & Mar., 2016
