ANTIOCH
BAPTIST CHURCH PLANTERS

Exalting Christ in Churches

Dear Supporting Churches,

The families within our group decided that since we are not currently working together (though we will be soon!) that it would be helpful for each individual family to report what they were doing and hopefully further exemplify all that is being done by ABCP.

The last Sunday of February was our last Sunday with Pastor Heath Van Zandt at the Antioch Baptist Church plant in Rhome, TX, as was our scheduled strategy. The church plant there has recently secured a new church facility and property. It has been a very exciting year for us and we praise the Lord for the growth of Antioch Baptist Church!

All families of ABCP are currently in correspondence with Pastor Tyler Gillit of Worth Baptist Church in Fort Worth, TX, about helping them with a church plant later this year. We are looking forward to helping and very excited to share details with you all when the work is underway. The DFW metroplex area is growing by leaps and bounds and we need churches here to reach those that are moving into our Judaea!

In the meantime, we have been able to help some other churches that were in need of someone to fill the pulpit. Bro. Tony preached in both Lubbock, TX, and Waxahachie, TX, while the pastors and their wives were out of town. We were also able to spend some time at our home church (Countryside Baptist Church in Mansfield, TX) for a few weeks. We celebrated Resurrection Sunday with church family, and Tony was able to teach Sunday School there on one Sunday as well.

We were able to help at a church plant in Allen, TX, on the last Sunday of April. We are also looking forward to helping Pastor Doug Ellis with special music and song leading during his Bible Conference this June. Bro. Ellis is the pastor of Gospel Light Baptist Church in Roanoke, TX, and was our very first revitalization work to help with. It will be wonderful to see how the church has flourished since we were last there.

Please be in prayer for our nation and our ministry. America has grown very dark, and is desperately in need of the salvation of Jesus Christ. It is our prayer that in helping to plant churches, the light of the Gospel will shine brightly and will penetrate the hearts of so many that are lost in our country.

If you would like more information, or would like us to come and present our ministry in your church, please contact us at tony@abcplanters.org or call Tony at 817-240-0518.

In Christ,
Tony, Melissa, Audrey, and Caleb Roa
