Exalting Christ in Churches

October 2024

We would like to welcome you to our newsletter. The purpose of this newsletter is to share updates, and prayer needs within our ministry. More importantly, to be praying for the churches we encounter. For more information about this ministry please visit our website at www.abcplanters.org. Or you may contact me directly at (903) 267-7382

Dear Pastors and Supporting Churches,

As many of you know we partnered with Worth Baptist Church, pastor Tyler Gillet, to plant a church in Benbrook, Texas. Through a lot of prayer and patience we are no longer planning for this church plant to take place in the near future. We are praying that God will open the doors for a church planting ministry with Worth Baptist, but right now Pastor Gillet has decided to hold off on planting a church until God opens some doors. God has opened the doors for another opportunity presented to us. I am praying about becoming the Interim Pastor at a church that is needing a pastor. This will fall under our 'revitalization' work. We are so excited to see what doors God is opening for the Doty family and His timing is perfect! "And we know that all things work together for good to them that love God, to them who are the called according to his purpose." Romans 8:28

While we have been 'waiting' for God's leading we have used this season as a deputation opportunity. I have had the privilege to fill the pulpit at many churches, present at a few, and preach two missions conferences. I believe God has given me this time to solidify our ministry and the direction it is moving. We are excited to announce that we have a man that is led to join our ministry. He has been accepted as an IBFI missionary and has already begun his first work. These are exciting times!

Our family has had several trials this year, as all of us do. The thing we really need prayer for is my son. Nathaniel just turned 12 years old. He was transported to a children's hospital with the diagnosis of appendicitis. Once arriving they told us he did not have appendicitis, but they are unsure what is causing him the pain and symptoms. His CT scan shows a lot of inflammation in his abdomen, and he has now been in pain for weeks. Please pray that we can get him into a pediatric GI as soon as possible as we now have an insurance issue to be able to get him the care he needs. Charish was also told she needs back surgery. We are just praying for peace with the direction God would have us to take in her care as well.

We are so grateful for your support and your prayers for our family. We are excited about what God is doing and will continue to look to Him for guidance.

Our family at the "Doty Ranch" display created by the wonderful people of Cornerstone Baptist Temple in Ohio where we had the privilege to present our ministry. We love how much love they showed our family and the great state of Texas!

With love in Christ,

Zack Doty and Family
