Dear Friends,

**Boa Vista, Roraima, Brazil**

September, 2019

Pastor Rogerio passed his driving test in June and found a used car to help in the church work. He has made trips with us to Guyana, to a village interior on mud roads and to Caracarai. They are glad to have a car to visit their people instead of walking in the hot sun. Pray for this couple as they serve the Lord at the **Bible Baptist Church Getsêmani**.

Pastor Werlesson and the **Bible Baptist Church Manacial** celebrated their 21<sup>st</sup> church anniversary the end of July. The 3 churches participated in the special service. Pray for this church.

Bill preached for Pastor Paulo the first part of August at the **Bible Baptist Church Caranã**. It was good to see and visit with these people again. Please continue to pray that these churches will grow and see the blessings of the Lord.

The second Sunday in August is Father's Day in Brazil. Zipora made shirts to put over a bottle of coke for each Father. I don't know what was said but we sure had some Happy Fathers to receive their presents. Bill even took his "son" our doll dressed as a boy. He is a big success at church when he goes! Four of the men are not saved but attending the services.

during the rain. A lot of areas were flooded but no major damage and we needed the rain. Soon it will be back to the 100 degrees all the time. The 75 and 80 degrees felt good to us.

We are so thankful for the rain that we have received in June, July and August to help cool off. Even having some drips that we were able to fix

We celebrated our **49<sup>th</sup> Wedding Anniversary on August 15<sup>th</sup>**. We invited the 4 Pastors and their wives from our churches to come to our house to celebrate with us. They came and we had a good time of fellowship.

The **Bible Baptist Church Ebenezer** in Caracarai had a special service for us on Wednesday night with a cake for our anniversary after the service. We had traveled to Caracarai to help in the first week of Bible Institute classes August 26-30. There are two students that will finish their studies in May. We have known them since they were little. They have grown up in the church. There was one new man student. We knew his wife when she was a young girl.

We rented a room from her father for church services. She would come to our services to hear Sharon play the accordion and run across the street quickly to get to school at night for classes. She is married and they are attending the church in Caracarai. They were saved in another Baptist Church but glad he can study in the Bible Institute.

**THANK YOU for your prayers and support to us and the works here in Northern Brazil!**
