Dear Friends,

November, 2020

The Caracarai church celebrated their **42nd Anniversary October 17,18, of 2020**. We attended the Saturday night service as well as Sunday School the next morning. We drove back to Boa Vista Sunday instead of driving back Saturday night.

These two ladies are charter members and are still serving the Lord. Gecelita was a teenager and is married and helping in the church. Dona Francisca is faithful as well. Walliane and Walline are sisters. Grew up in the church. They are teaching the children and presented a lesson Sunday Morning.

The church started this construction for the church Congregation on the other side of town back in 2018. Due to a lot of rain and financial setbacks they are just now ready to cover the building. There is still a lot of work to be done but they are doing it "pay as you go" from their own people. They have received special offerings from people and churches. Materials are more expensive so pray with us that it can be finished, and they can start having services this coming year. We pray many will be saved in this new neighborhood.

Pastor Werlesson applied for a job at a Hardware store close to his house and was able to start work the first part of October. What a blessing. He has Sundays off all day and works until 6:00pm on weekdays. His wife works at a grocery store and has been supporting the family plus what they receive from the church. He is trying to get the church going again after being closed back in 2018 but it is taking a long time. Pray for this family that they will be able to get the church work going once again.

Pastor Paulo and his family are working jobs and leading their church. He repairs electronics. They have been with this church since 2001 and there have been a lot of ups and downs in the ministry. Pray for this church and Pastor.

Pastor Rogerio and his wife are Pastoring the last church we started. The church has been able to pay their salary plus they get other odd jobs here and there to help meet their needs. The Pastor's wife has her Father, Mother, Brother and two Nephews visiting with them now. Pray for this Pastor and church.

This is a picture of the Pastor's house in **Novo Airao**. Notice they built the walls up around the old wooden house until they can get the money needed to finish building the walls inside the house. This is located beside the church building. The Pastor said they are saving the money so they can finish the house.

This is a picture of the Congregation that was built by the church in a new area on the other side of town. The building is almost ready. They hope to have the first service sometime in December this year. The main church was started in 1975.

We have a lot of Brazilian friends that have had the Covid-19 virus. Some were chosen to go to Heaven and others were chosen to stay and continue with the works. It has been an extremely hard time for everyone both physically and financially. We know the Lord is in control and we just pray for everyone's safety. Pray for our American friends and the health problems each one has during these days. Pray for Sharon's sister that has Covid-19. God is good and we must trust that His will be done in everything.

THANK YOU for your prayers and support to us and the works here in Northern Brazil! God bless each of you as you serve Him wherever you are.

Received \$ _____

Month of August, September, October
THANK YOU!

Your missionaries in Northern Brazil,
Bill and Sharon
