

Dear Pastors, Churches and Praying Friends

The new year is upon us, and I am looking forward to the projects on my plate. But first, a couple of updates.

First: Dr Ronnie Mvula from Malawi

Brother Dr Ronnie was saved in 2020 when I was in Malawi with Pastor Charles and Scott. Since then, Dr Ronnie has been crying for his nation - due to less people who are willing to take the Gospel around his country. My friends, the Gospel is the power of God unto salvation! Even yet today!! I do not know what the future holds, but I intend to use my strength to spread it far and wide. Your prayers are so much needed!

Please pray for boldness for the men, faithfulness to Christ, open doors for spreading the Gospel and labourers! A lady in Malawi wrote asking when Pastor Charles and Scott will be back to Malawi to preach the Gospel. She said we need Baptist churches in our village. We need men who will labor!

Modern society has everything to live with and nothing to live for. The world needs someone who can bring hope for the hopeless. We need men who have compassion for the lost souls. Compassion is one of the loveliest of all the graces, but one which is not often enough talked about. Men pray love and faith, for pardon and patience. But who prays to be filled with compassion? This virtue is overlooked and undervalued. My friend, yet, its price is above rubies. My friend, I believe compassion is that affection of the heart by which we are touched with the plight of others. We need men filled with compassion to reach the Malawi nation.

Second: An Unseen grief

My wife had a miscarriage - in our post-fall world - sin affects every facet of our lives. This terrible reality means that many pregnancies will end in sorrow rather than joy. Yet, this specific type of loss - which is so overwhelming common - is rarely addressed from the pulpit. My family went into deep grief on 19th December 2021. But God who is full of compassion and mercy has comforted us with His love and mercies.

Prayer request

- **Pray for Malawi**
- **Pray for my family to have a heart fixed on God.**
- **Pray for my VISA situation.**

I believe that we have a Great God who can answer our prayers. The Bible says, "Greater love hath no man this, that a man lay down his life for his friends." John 15:13

For their sakes I sanctify myself --- I lay down my life for the sheep (John 17:19, 10:15)

We have a Saviour whose affection for us is no longer a theory. His claims are supported by compelling evidence: blood, sweat, tears and death.

YOURS FOR THE SOULS OF MEN,
Breze Serugamba
