**Dear Pastors, Churches and Praying Friends,**

Our world is in turmoil, but we need to lift up our eyes and see all the opportunity that has been created. I believe that God does not allow this world to be shaken without having an answer. We need to lift up our eyes and ask God for discernment to see the open doors.

**Malawi's mission is still alive, and the eye of faith is still open.**

Being a way from Cornerstone Baptist Temple has made my work to be hard for me. Raising support is very difficult for me, but I believe God knows where I am and the best way for me. The needs in Malawi are huge. Each day I pray to God to open a door for me. I believe God will make a way for me. Many people in Malawi do not know where they will spend eternity. This question comes to you and me! I can ask what shall your answer be? Where will you spend eternity? Although not many people in Malawi choose Christ today, but those who choose Christ heaven shall be their happy portion be. My message to Malawians is to repent, believe, this very hour, and trust in the Saviour's grace and power.

**Refugee Camps invite us in...**

Brother Edwin has been a blessing and asked me to visit refugee camps in Malawi and give gospel leaflets. My heart is overwhelmed and unspeakable joy to see these refugee camps. Your prayers are needed. I do not have gospel leaflets, but I hope God will provide for these needs. For this request above, I am planning to travel to Malawi next year in March. Pastor Zach Gillit is willing to come with me if he can find someone to fill the pulpit on his behalf. We need to take the wonderful message of hope as J Edwin wrote in his hymn "I am happy today and the sun shines bright, The clouds have been rolled away, For the Saviour said, whosoever will, may come with Him to stay. O what wonderful love, O what grace divine, that Jesus should die for me; I was lost in sin, for the world I pined, but now I am set free." Many Malawian people need to hear this wonderful message.

Prayer request:

- Please keep us in your prayers.
- Pray for Micah for speedy recovery.
- Pray for Francis Thera (This man is Malawian; he wants to help us to establish in Malawi)
- Pray for us so we can travel to the USA in the future.

Thank you for all your prayers and support.

All For His Glory,

Breze and the family.
